Re: Reconsideration Notice of Revocation of Two-Months of Suspended Time &  
Notice of License to Operate Suspension for Two-Months.

Dear Dylanne Macomber & Ronald Eads:

As per your letter of July 8<sup>th</sup>, 2021, I have reconsidered your request reference the agreed upon mediated settlement and the Notice of Revocation/Notice of License Suspension. You and your counsel are invited to appear at the regularly scheduled meeting of the marijuana control board on August 18, 2021 in Nome, Alaska. You may appear in person or you may choose to speak online before the board via telephone or video conferencing (Zoom). In the interim, the suspension of Fairbanks Analytical Testing, LLC - License 15124 is stayed until this hearing and a decision by the board.

Failure to appear before the board would be considered a default, the stay would be lifted, and the suspension of would begin at a time to be determined by the board.

Respectfully,

ALCOHOL & MARIJUANA CONTROL OFFICE
